VIDEO SLICK

TO: The Film and Video Labelling Body Inc.
PO Box 2627
Ponsonby
Auckland

Pursuant to regulation 32 of the Films, Videos, and Publications Classification Regulations 1994 the film poster entitled:

Where The Girls Sweat...Not The Sequel !!

is **Not Approved**

CONDITIONS OF APPROVAL (where applicable)

Not Applicable

if approval refused, the reasons for the decision:

The video slick entitled *Where The Girls Sweat...Not The Sequel!!* relates to the video feature entitled *Where The Girls Sweat Not The Sequel!!*, which is concerned primarily with the explicit depiction of sexual activities between females. The slick includes still scenes of explicit activities depicted in the feature, and also includes posed females with prominent naked buttocks and breasts. The dominant effect of the images is of buttocks and barely concealed genital areas being pushed into prominence. This tends to present the women as a collection of body parts, in such a way as to be overall a dehumanising and degrading collection of images of strong impact. The text employs offensive language which also tends to degrade females in a high impact manner. The Classification Office therefore considers the video slick entitled *Where The Girls Sweat...Not The Sequel!!* likely to be classified as objectionable pursuant to regulation 28(3)(a), and consequently does not approve the video slick.
